Examples of the Themes Available to Change the Look and Feel of the My Library Screen in Orbit

Summary

There are a number of Look and Feel theme options that you can choose from so that your My Library area looks the way you want it to. Remember, you have to log in to go to your My Library area. This guide has a screen example of the colour scheme of each theme to give you an idea of what they look like. Themes can be changed whenever you want. Themes are different to the options that can be selected as a background.

The How to Change the Look and Feel (Theme) of Your Library Page explains what to do to change the Theme and Background of your My Library area.

Available Themes for Selection

Once you have logged in click on the My Library button then click on the Settings tab.
Click on the down arrow at the end of the Theme field and the list of themes you can choose from will display.
